We'll Treat You Well

Digital Version

At Aster we believe everyone should have equal access to health services, and that includes people with language needs. When needed we put best possible efforts to provides comprehensive and professional interpreting services, either over the

- telephone or
- video call or
- in person.

All hospital staff can access interpreters for patients who do not speak or understand English very well. If you, or members of your family, or a friend need this service please let staff know and they will be able to make the necessary arrangements.

If you require an interpreter while you are an inpatient please advise the ward staff who will assist with this. If your admission is planned then please give us information in advance as possible of any interpreting needs.

If you require an interpreter during your outpatient visit please let us know and we will make the appropriate arrangements for you.
